News from the Iowa Chapter of the American College of Cardiology

Iowa-ACC Newsletter, October 2021

President's Message

Mahi L Ashwath MD, MBA, FACC, FASE, FSCMR

Dear Iowa-ACC Members,

The IA ACC is reviving the annual chapter meeting with Dr. Dipti Itchhaporia as the keynote speaker. We look forward to amazing talks by excellent local and National speakers for this virtual meeting in addition to FIT Jeopardy and poster sessions. Registration is free. More details can be found on the website here.

Cardiology fellows, residents, and medical students are invited to submit interesting case reports and abstracts of original research in cardiology. Case reports and abstracts previously presented or accepted for presentation at other national cardiology meetings can be submitted.

Deadline for submission is October 15th. Please send your submissions to jasonmeyers@iowaheart.com.

Annual Chapter Meeting Brochure

Artur Fedorowski, MD, PhD and Brian Olshansky, MD, FACC are presenting a webinar on Monday, October 18th on POST-COVID POTS.

After recovering from acute COVID-19, some patients may experience post- COVID conditions, called “Long COVID,” or post-acute sequelae of SARS- CoV-2 infection (PASC).

We will explore Long COVID in our upcoming webinar series and learn from key opinion leaders about the impact on patients, physicians, and drug developers. Join us on Oct. 18 for our first topic on Postural Orthostatic Tachycardia Syndrome (POTS).
