Dear Industry Colleague,

We invite your company to support the Fellow Education Lecture Series by the Iowa Chapter of the American College of Cardiology.

This lecture series has started and is scheduled to go till the end of June and likely will be extended into July. This site will be visited by Cardiology Fellows, Program Directors and Program Coordinators all over North America on a weekly basis, as we share the information. Our recorded lectures will also be posted here. The series has been very well received with more than 220 attendees in the very first week. The Iowa Chapter of the American College of Cardiology has 360 members, and is the state "arm" of the American College of Cardiology (ACC), a 52,000-member national nonprofit professional medical society.

We believe in advancing science and education in an affordable fashion to the cardiovascular community and hope we can count on your support to help us achieve this. The success of Chapter educational meetings is due to the excellent educational partnership we have had with our sponsors with adherence to the ACCME Standards of Commercial Support. With expenses toward website development, migration, video storage, we look forward to your valuable contribution and cooperation to make this lecture series success. Attached is a copy of Lecture series.

Exhibit opportunities are open to companies in addition to yours. The exhibit display fee is \$1,500. Other options are listed. In appreciation of your support, we will display your Company name, Logo and allow you to post a link for one product. Please complete the attached Sponsor Registration form and return the pdf form by email to nancy-adams@uiowa.edu. The Iowa Chapter-ACC Federal Tax ID is #42-139-8858 Your check should be made payable to Iowa Chapter-ACC and mailed to ACC Iowa Chapter, %Nancy Adams, 5235 540th St, SE, Lone Tree, IA 52755.

Please feel free to contact me at mahi-ashwath@uiowa.edu or Nancy Adams, Chapter Executive Director at nancy-adams@uiowa.edu if you have any questions. We hope you can support us.

Sincerely,

Mahi L. Ashwath, MD, MBA, FACC, FASE, FSCMR
