Dear Industry Colleague,

We invite your company to support the Interventional Cardiology Board Review Zoom Lecture Series by the Iowa Chapter of the American College of Cardiology along with the ACC Early Career Chapter. See the schedule of speakers at <https://www.iowaacc.org/ICBR>.

This lecture series has started with nationally and internationally renowned speakers and is scheduled to go through August 22. This lecture series is a follow up to our general cardiology lecture series which has very well received with attendees from all over the world. This site will be visited by Cardiology Fellows, Program Directors and Program Coordinators all over the world on a weekly basis, as we share the information. Our recorded lectures will also be posted on the Iowa ACC chapter website. **This series has been very well received with 280 attendees and over 1000 video views.** The Iowa Chapter of the American College of Cardiology has 360 members, and is the state "arm" of the American College of Cardiology (ACC), a 52,000-member national nonprofit professional medical society.

We believe in advancing science and education in an affordable fashion to the cardiovascular community and hope we can count on your support to help us achieve this. The success of Chapter educational meetings is due to the excellent educational partnership we have had with our sponsors with adherence to the ACCME Standards of Commercial Support. With continued expenses toward website development, migration, video storage, we look forward to your valuable contribution and cooperation to make this lecture series success. Attached is a copy of Lecture series.

Exhibit opportunities are open to companies in addition to yours. The exhibit display fee is \$1,500. Other options are listed. In appreciation of your support, we will display your Company name, Logo and allow you to post a link for one product. Please complete the attached Sponsor Registration form and return the pdf form by email to nancy-adams@uiowa.edu. The Iowa Chapter-ACC Federal Tax ID is #31-1315856. Your check should be made payable to Iowa Chapter-ACC and mailed to Iowa Chapter of the American College of Cardiology, % Nancy Adams, 5235 540th St SE, Lone Tree, IA 52755.

Please feel free to contact me at Mahi-ashwath@uiowa.edu or Nancy Adams, Chapter Executive Director at nancy-adams@uiowa.edu if you have any questions.

We hope you can support us.

Sincerely,

Mahi L. Ashwath, MD, MBA, FACC, FASE, FSCMR
President

Nancy L. Adams
Executive Director
