Iowa-ACC Newsletter, June 2021

President's Message

Mahi L Ashwath MD, MBA, FACC, FASE, FSCMR

Dear Iowa-ACC Members,

We have completed 4 weeks of a very successful Iowa ACC Echo Board Prep Lecture Series. This has been very much appreciated and very well received by fellows all across the United States and other countries. We had a total of 31 talks involving 27 speakers, and I am proud to say 41% of all speakers were from Iowa.

I would like to give a quick shout out and a quick round of applause to all our speakers, without whose active participation, preparation and commitment to education of future generations, this lecture series would not have been possible. I would like to thank our planning

committee members, specifically our FIT Co-Chairs - Jai Parekh and Kofi Osei, who were with me most weekends as we moderated the sessions, and played a big role in the organization, communications with the presenters, and the social media.

Upcoming Events:

Iowa
CHAPTER

SAVE THE DATE
